"As a single lady I never feel any discomfort on a Bill Peach Journeys trip. I have travelled with lots of other tour operators and no one else looks after me the way Bill Peach Journeys does. I never feel lonely and get to see the most amazing places."

T. Mahon, Sylvania NSW

Explore an area of outstanding natural beauty of mountains, rivers and lush fertile valleys and picturesque historic towns. Gracious avenues of poplars, maples, silver birches, pin oaks, liquid amber and golden and claret ashes, many planted early last century, cloak the towns and villages of the area in stunning autumn colours. Dotted along the Ovens and Kiewa Rivers the towns are nestled at the very foot of the Mount Buffalo and Alpine National Parks.

A photographer's paradise, the mountains offer spectacular vistas, beautiful wildflower displays and the chance to see Australia's native birds and animals in their natural environment. Visiting during autumn we will fully appreciate the vibrancy of this region and be awed by nature's colour palette. With breathtaking backdrops you will learn a fascinating history shaped by pioneering pastoralists, fortune-seeking gold miners and post-war migration that unfolded in Victoria's High Country. Delightful accommodation and incredible food and wine as usual! We'd love you to join us.
