Imagine a lush, beautiful island with sandy beaches, jagged cliffs and tall pine trees supported by a local community with a simple, laid-back way of life. Norfolk Island is such a place. There are no railways nor busy roads; instead, eighty kilometres of lane ways that cross an island where cows still have the right of way.

Spend seven days with Bill Peach Journeys exploring the visually stunning and historic Norfolk Island, where you will truly feel like you have been isolated from the rest of the world, stepping back to a simpler time. Uncover a fascinating history, from the discovery by Captain James Cook to the eventual settlement by the Pitcairn Islanders. We will discover how generations of the descendants of Norfolk Island's original settlers showcase their personal heritage throughout the island.

As always with a Bill Peach Journeys' Luxury Short Break, you will enjoy stylish accommodation, exclusively designed touring, superb food and wine of the region and the services of our skilled Journey Director.
